Logistics :

- Invoices are emailed out on Friday and they include any hours worked that week, Monday through Sunday. We then ask that you pay via email money transfer to emma@bunkybambino.com within a few days of receiving the invoice.
- Most of our postpartum Doulas are also birth Doulas. Meaning if they are called to a birth during your shift time; we can call on our other postpartum Doulas to come in, or she will reschedule for as soon as this new baby has come earthside.
- Once your baby is safely asleep/fed/burped/snuggled and all tasks (light cleaning, sterilizing, laundry folding) are taken care of, we allow for our Doulas to lightly rest their eyes to recoup and be the best Doula to your family!
- If you need any tips/tricks or have any info you need to share with your Doula, feel free to text them. We are now your support network, in more ways than one!
- You also now have access to the Bunky client portal (password = BunkyBaby)
